USE ORRINE

ANNOUNCEMENT

\$750,000.00 Tire Company For Indianapolis

WILL MANUFACTURE "Parker" Super-Size Cord Tires EXCLUSIVELY

PROPOSED TO BE THE LARGEST EXCLUSIVE CORD TIRE FACTORY EVER ERECTED.

THESE ARE THE MEN BACK OF OUR PROPOSITION OFFICERS AND DIRECTORS

P. P. PARKER, President

Mr. Parker is a man of over eight years of annually successful experience with three of the largest and best tire manufacturers in Ohio in executive positions in the various departments.

His keen and progressive executive ability in the rubber tire business is acknowledged by some of the best-known tire manufacturers in Ohio, which insures an administration of the affairs of this company that will rapidly develop it to rank among the most successful tire manufacturers.

C. B. GAUNT, Vice President

Mr. Gaunt's experience of over five years in the automobile and tire manufacturing industry, formerly with Paige Detroit Motor Car Company, also the Knight Tire and Rubber Company, has well qualified him to produce maximum efficiency in the production of automobile tires.

Mr. Gaunt is highly credited with ability along this line by manufacturers with whom he has been associated.

H. C. WHARFIELD, Secretary and Treasurer

Mr. Wharfield is a man of business experience extending over a long period of years, also has practically five years' experience in financial and executive departments of the rubber tire industry. Formerly with the McNaull Tire Company, also The BeSaw Tire and Rubber Company.

He is highly regarded for his careful and conservative business judgment in financing in the rubber business and is exceptionally well qualified to conserve the interests of the shareholders of this company.

E. C. MERKLE, Director

A man of several years' successful experience in the tire industry, formerly district manager of the business affairs of the Knight Tire and Rubber Company, and well known among the large tire dealers throughout the Central West.

OSCAR HASENCAMP, Director

Capitalist. Director the Continental Trust and Savings Bank Company of Toledo, Ohio. Interested in many large, successful business enterprises.
